SIR

Taking over the Mosque in Horapet, Tumkur Town, together with its properties, under Government Management.

In forwarding herewith in original, for reference and return, correspondence ending with letter No.Muz.C.3720/41-42 dated 4th April 1942 together with the connected file of records received from the Deputy Commissioner, Tumkur District, re. the above, I have the honor to state as follows.

2. The mosque at Horapet, Tumkur Town, is a private institution built by the followers of one Moulana Moulvi Abdul Wahab, about 80 years ago, out of public subscriptions. Seven shops, fetching a monthly income of Rs 32 or Rs 584 per annum, are stated to be ~~allocated~~ attached to this institution and these are stated to have been constructed out of public subscriptions Owing to difference of opinion between two parties of Muslims of the place, as to the right of management of the institution, its affairs are now disorganised.

3. One Sheik Budan Sab and others of Tumkur having presented a petition to this office, complaining of mismanagement of the institution and requesting its being taken under the management of Government, a report, after enquiry, was called for from the Deputy Commissioner. As a result of enquiry, it is seen that the mosque in question was constructed out of public ~~subscriptions~~ contribution and has been catering to the religious needs of the local Muslim residents, that the shops attached to it are ~~still~~ all dilapidated and no care is being taken of them, that rents due therefrom are being collected by different persons without

rents duly accounted for and in many cases are allowed to fall into heavy arrears, that the servants have not been paid regularly for a long time and that there has been no regular muthuvalli since 1937 after the death of previous holder of the post. It is also seen from the records that the question of the appointment of a muthuvalli, after the death of one Mr. Akbar Khan, on 1-10-1937, was the subject matter of a dispute between two parties, each party trying to have its own nominee, and that this dispute had even been taken to the Civil Court where both the parties were declared to have no right for the post.

4. The local Mahomedan residents contend that Abdul Ghakoor who is supposed to have been nominated as muthuvalli by his predecessor has no right to the post, as it is not a hereditary one and, as the claim has been rejected by the Civil Court, on the ground that the nomination is found to be false, that he has also allowed some of the wet lands of the institution to be sold for non-payment of land revenue and that the other properties are not being properly managed by him. Abdul Ghukoor and some others contend, on the other hand, that according to the Chief Court decision, only the followers of Moulvi Abdul Wahab have the exclusive right of management of the institution and that the allegations made by the opponents are baseless and that they are made only with a view to have a right in the management of the mosque, and request may not be taken under Government management. (Maulvi Moti Ahsan)

5. The mosque is a religious institution dedicated for the benefit of a defined section of the public and there is also a clear case of mismanagement of its affairs. The Deputy Commissioner, agreeing with the local officers, recommends, in these circumstances, that the institution and its properties may be taken under Government management.

6. The conditions required under section 17 of the Religious and Charitable Institutions Act are satisfied and action under section 18 is warranted in the case. I request that sanction of Government may kindly be obtained to take the institution together with its properties under Government management under section 18 (i) as recommended by the Deputy Commissioner. On receipt of Government orders further action will be taken to fix a scale fixed and appoint a committee of Nazarini-ov-koffs.

I have the honour to be,
Sir,
Your most obedient servant,
M. Venkatesalyengar
Collector Commissioner.

The Muzrai Commissioner has reported that one Sheik Budan Sab and others of Tumkur Town having petitioned to him about the mis-management of the mosque at Horapet, a report was called for from the Deputy Commissioner, Tumkur District. Thereupon, the Deputy Commissioner, Tumkur has reported after enquiry that the Mosque which is a private institution was constructed by the Muslims of Tumkur in the year 1888 and that since the death of the last Muthuvalli of the Institution in 1937 the management of the affairs of the mosque has fallen into several hands, of whom no one has performed his duties satisfactorily.
